## **HERE'S HOW IT WORKS....**

- ◆ For every \$500 you spend on an event (food and beverage only), you'll earn 20 points.
- ◆ Events over \$5000.00 earn an additional 25 points (for events over \$5,000 but less than \$10,000) (example your event is \$6,000, you would receive a total of 265 points)
- ◆ Events over \$10,000.00 earn an additional 50 points (for events over \$10,000 but less than \$100,000) (example, your event is \$11,000, you would receive a total of 490 points)
- ◆ Events over \$100,000.00 earn an additional 500 points (example, your event is \$110,000, you would receive a total of 4900 points)
- ◆ Points can be used as "Saz's Catering Dollars" towards future catered events during that calendar year.
- ◆ Point values will be tracked here with our book keeping and will be available for viewing on the web in the future. A current status of your accumulated and earned points will be printed on all invoices. An account balance will always be available for your review.
- ◆ Tell your friends! Introduce a new client to Saz's Catering and earn 25 bonus points. Just ask the new client (someone who hasn't used Saz's Catering in the past) to mention that you referred them and we'll give you 25 bonus points- added to your collection.
