RE: Gluten/Peanut Free Statement

Thank you for your inquiry concerning gluten in Saz's Barbecue Products and the facilities that produce these products. First and foremost, Contract Comestibles, LLC places food safety at the top of its priority list.

Gluten

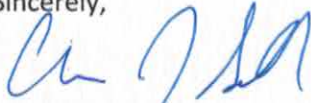

We take personal pride in declaring Saz's products, including: House Dressing, White BBQ Sauce, Original BBQ Sauce, Sassy BBQ Sauce, and Vidalia BBQ Sauce as gluten free. However, we do acknowledge that these products are made in a facility that also produces products containing gluten. In order to declare Saz's products as gluten free, we are required to A) confirm certification or testing of all raw ingredients as gluten free. B) maintain clear separation of gluten free ingredients from those that may contain gluten. C) prevent cross contamination through effective sanitation and handling procedures. We hope this alleviates any concerns you may have regarding Saz's products.

Peanuts

Saz's products, including: House Dressing, White BBQ Sauce, Original BBQ Sauce, Sassy BBQ Sauce, and Vidalia BBQ Sauce, are peanut free and are processed in an environment free of peanuts. We consider them safe for people with peanut allergies to enjoy.

If you have any further question please let us know.

Sincerely,

Andrew Gehl

President
