

# Holidays with Saz's

This year, instead of spending hours preparing, cooking and cleaning up the kitchen for your Holiday Feast, use the time to relax and enjoy your guests' company! Give yourself some breathing room (and oven space) and let Saz's do the work. Whether you simply supplement your family's favorites with some Saz's classics or pick up a ready to reheat spread, you'll be making memories instead of messes-now, that's a tradition your whole family can enjoy! All meals come chilled with easy to follow reheating instructions.
