# Looking for theme? We've made a list and checked it twice.

Our staff had a lot of fun creating some creative ways for you to celebrate. Whether you wish to choose something from our list, pick a few services a la carte or need a full on party plan from scratch, we're here to help. Need to hold your holiday party after the holidays? We can make that happen, too.

## 1 MOVIE BASED: TINSEL TOWN MEETS THE NORTH POLE

From a wholesome It's a Wonderful Life feel to an edgy Bad Santa vibe, we'll put together an evening based on your favorite Hollywood holiday film or films. Provide your preference and we'll make you and your guests the stars of the show.

Music from your favorite movies, paparazzi snapping shots and photobooths with characters cutouts are just the beginning.

## 2 NORTH WOODS BASED: THERE'S NO CRABBIN' IN A CABIN

Transport your guests to a cabin in the woods on a snowy winter's eve. Enjoy the warmth of amber tones, the scent of pine needles and hot cups of cocoa... regular or spiked.

Log cabin backdrops, flannel table coverings, s'mores and more(s).

## 3 FOOD BASED: SEASON'S EATINGS

Whether it's the soothing goodies grandma used to make or sophisticated cuisine like sushi, we'll create an entire evening based on fantastic foods, crafty cocktails and decadent desserts.

Chalkboards listing specials, tasting trays and chef's hats will make everyone feel like a foodie. Bon Appetite.

## 4 HIGH STYLE - LUXURY BASED: THE NORTH POLE AFTER

Ever wonder what Santa's workshop would be like if it was turned into an exclusive nightclub? That's the experience your guests will enjoy at this party. 007 in Monte Carlo. That's Kringle. Kris Kringle.

Holiday jazz classics, martinis and casino games are just a few ways we'll turn your holiday gathering into a sexy soiree.

**THESE ARE JUST A FEW** conversation starters. Our incredibly creative staff is here to help expand on these themes or curate a personalized design unique to you and your guests.
